Cookie Policy for Digibolt.online

Last updated: 20 May 2025

1. What are cookies?

Cookies are small text files placed on your device so that a website can carry out strictly technical tasks— for example, remembering that you have already opened the checkout page or protecting a form against abuse. Under EU e-Privacy rules (Directive 2002/58/EC) and the Czech Electronic Communications Act (Sec. 89), cookies that are *indispensable* for a service requested by the user do **not** require prior consent.

2. Cookies we use

Digibolt.online sets **only essential cookies**. They do not track you, build profiles, or serve advertising.

Cookie name	Purpose	Set by	Lifespan
_digibolt_session	Random session ID that lets the site remember information between pages (e.g. items you are paying for). Contains no personal data.	Digibolt.online	Deleted when you close your browser
csrf_token	Verifies that form requests come from you, preventing cross-site-request forgery.	Digibolt.online	Deleted when you close your browser

We **do not** use analytics, marketing, or third-party cookies; there are no user accounts, balances, or stored card details.

3. Consent

Because every cookie we set is strictly necessary for completing a one-off purchase, no banner or pop-up consent is required (Art. 5(3) of the e-Privacy Directive). This notice is provided for transparency.

4. Managing cookies

You can delete or block cookies in your browser settings. Please be aware that doing so may break essential functions such as the payment form or the confirmation page.
